OVERVIEW

Alex Taylor is a writer, director, and producer. He aims to combine his love for film with his advocacy for the LGBTQ+ Community. Taylor wants to push the limits placed on queer characters in mainstream film by writing unique, authentic stories. Specifically, he would like to provide his community a chance to shine in action movies and create the next Gay John Wick. This is Taylor's personal favorite genre and one that could stand for more queer representation.

EDUCATION

FLORIDA STATE UNIVERSITY

COLLEGE OF MOTION PICTURE ARTS

Bachelor of Fine Arts, 2025

GPA: 3.89
